

Foundation Stage Holiday Club Christmas Holiday

Nordic Noel

Join us for four days of fun, Monday 18th December to Friday 22nd December. Learn what makes Christmas in Nordic countries special. Children will discover the Christmas traditions while exploring evergreen branches and pine cones to create wreaths, reflect on patterns and colours to produce tree decorations, be messy with cooking, listen and act out stories, not forgetting getting to know the reindeer!

You will need

To wear clothing that you are happy to get mucky, bring wet weather gear - including Wellington Boots, remember your packed lunch - we are a **NO NUTS** environment.

When

Monday 18th December to Friday 22nd December, 7:30am to 6:00pm.
